December 12 – The Glory of Christmas!

This year Our Savior Lutheran will tell the Christmas Story in a new way. Instead of many separate programs, all of the kids' events will be joined together in one celebration of the newborn King. This service will feature OSL School & Sunday School, OSL Band & Choir, our adult Jubilate Choir & Carillon Ringers combining their talents to tell the story once again. The program is told through the eyes of John the Baptist as he presents the prophets of old foretelling the coming of the Savior of the world. The service will end outside by the waterfall, in front of a LIVE NATIVITY! Imagine singing *Silent Night* in front of a live manger with candles lighting the hillside.

There will also be hot chocolate and opportunities for pictures after the service with live music outside to ring in the Christmas spirit.

- **5:45 – 6:30 PM:** Meal – Hot Dogs, Chips, Cookies; Served by Bon Appétit in the Bible Class Room
- **6:30 – 7:00 PM:** School Band & Choir Concert presented in the Church Sanctuary
- **7:00 PM:** The Glory of Christmas! Program begins in the Church Sanctuary, and concludes with a procession outside to the waterfall at our LIVE Nativity. *(Golf carts will be available for transport for those with special needs.)*
