

Dear Confessing Christian at Our Savior Lutheran,

The Board of Evangelism has granted me the privilege of contacting OSL members in order to give information on how to purchase a name tag or more as desired.

Why a name tag?

1. Since you don't know everyone and everyone doesn't know you in our OSL family, a name tag helps members know who you are and who others are. Your encouragement may be an opportunity for those who don't have a name tag to know that they can receive one.
2. The name tag would have your name and birthplace on it. The birthplace is a great point for opening up a conversation.
3. Wearing it other places than the church is a good way to represent Jesus daily plus letting people know Our Savior Lutheran Church is a place where we worship Jesus as our Savior who has redeemed us from sin, death and the devil. If the people don't have a church home, you have the opportunity to invite them to OSL. Surely, they will learn more about Jesus, have fellowship with other sinners, like you and me, who have been saved by God's grace alone. Through regular study of God's Word they, like us, learn God's purpose for living a life that brings honor and glory to Jesus, the world's only Savior.

Pray about this and if God leads you, please fill out the information below and send it to dndnoack@gmail.com

YOUR NAME: _____

YOUR BIRTH PLACE: _____

For a second tag:

NAME: _____

BIRTH PLACE: _____

The cost is \$6.50 each. I will place the order, inform you when they arrive and you will be able to pick them up and pay in a way suitable for you to OSL.

If more name tags are desired just give me the added information.

Some people are giving extra money so people who can't afford one, can have one.

Praising God for His daily seen/unseen blessings and you are among them,

Dalton Noack

(like you, an Ambassador for Christ – 2 Corinthians 5:20)
